STOPS Biting Insects:

Mosquitoes, Biting Gnats, Biting Flies like Sand Flies
(so prevalent in third-world countries).

Don't travel abroad without it!

FIGHT BACK! ARM YOURSELF NATURALLY!

BITE FREE® Greaseless, Odorless (after 15 minutes)

One easy application to exposed skin LASTS-ALL-DAY!

Safely Discourages Mosquitoes which are generally harmless (though irritating) but should be avoided at all costs during an Encephalitis or West Nile Fever outbreak.

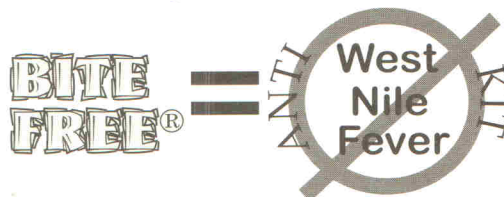

Honey Guy **BITE FREE**® is pure, natural, preservative free and safe for all ages, sensitive skin and animals. No dangerous chemicals like DEET, yet just as effective **NATURALLY** with pure beeswax and citronella.

Warning: In the event of a severe reaction to an insect bite, contact a physician immediately or go to an emergency room.

Great for Sportsmen or anyone who loves the outdoors!

THE ULTIMATE NATURAL PROTECTION AGAINST
BITING INSECTS & MOSQUITOES

SAFE for all ages, sensitive skin and animals.

Don't let them go out without it
