WaterBlocker™ Skin Cream for SKIN PROBLEMS

Honey Guy® WaterBlocker™ Skin Cream forms a beeswax barrier over painful, damaged skin that seals and protects promoting **FASTER** healing. The quicker you apply **WaterBlocker™ Skin Cream** to skin that itches, burns or stings, the quicker the cream will provide soothing relief.

- | | | |
|--------------|---------------------|--------------------|
| Blisters | Cuts | Pressure Sores |
| Burns | Diaper Rash | Rashes |
| Calluses | Dry, Cracked Skin | Razor Burn |
| Chapped Skin | Fragile, Aging Skin | Runner's Hot Spots |
| Cold Sores | Moisturizes | Sun Burn |
| Corns | Nursing Breast | |

HANDS: Using **Honey Guy® WaterBlocker™ Skin Cream** morning and night will moisturize and protect hands though wash after wash. Morning application lasts most users all day!

WaterBlocker™ Skin Cream is non-greasy and is highly concentrated - for complete absorbency, use sparingly. If not completely dry (i.e. feels sticky), after 1-3 minutes, use less.

FEET: **Honey Guy® WaterBlocker™ Skin Cream** moisturizes and relieves dry, cracked, painful feet! Enjoy soft feet and no more greasy socks in bed! Apply **WaterBlocker™ Skin Cream** to feet every night after bathing or before bed to soothe, soften and moisturize feet. To get rid of callouses and cracks, pumice well before applying the cream.

Application: For best results apply morning and night and at first sign of bite or condition. For external use only. Avoid eye contact. Contains no antibacterial chemicals. If you have a reaction or for severe skin conditions or wounds, consult a physician.

ONE JAR DOES IT ALL!

Honey Guy® WaterBlocker™ Skin Cream

NATURALLY SAFE for all ages, children, pets, farm & show animals

Moisturizes and promotes quick healing

• Handmade • Natural • Non-Greasy • Non-Fragrant

PREGNANCY: Soft, moisturized skin reduces possibility of stretch marks. Use **Honey Guy® WaterBlocker™ Skin Cream** on abdomen to moisturize, on hemorrhoids to relieve painful swelling and on tender breasts after nursing to relieve soreness.

BABIES: Relieves and soothes diaper rash and raw skin from teething, drooling and runny nose. Prevent diaper rash by shielding healthy skin from urine. Relieves soreness, redness and chapping with children who constantly lick their lips.

Dogs, Cats, Farm & Show Animals Soothes hot spots! Use on wounds, dry, cracked, bleeding skin, paws, ears and rashes.

Honey Guy® WaterBlocker™ Skin Cream forms a beeswax barrier over painful, damaged skin that seals and protects promoting **FASTER** healing; protecting the damaged areas while keeping them moist, free of dirt, germs and water damage.
